

## DO NOT PHOTOGRAPH

Photos and videos taken of children/youth at church-sponsored events are taken in good taste and children/youth are not individually identified in photos/videos that are published publically. If there is a photo or video published of your child that you would like removed, please contact us.

- Please do not photograph my child at any EBIC-sponsored event for the school year September 1, 2018-August 31, 2019.
